

Student Name _____

Read the assigned article and answer the following questions.

1. Who is the author of the article that you have been assigned? What are their qualifications to address the topic?
2. Summarize their main points, noting especially their key arguments for taking the resurrection seriously.
3. What do they say about how and to what degree we can know about the resurrection? What kind of evidence do they think is relevant? What do they say about the roles of science, history, theology, or personal faith in leading us to a position for or against the resurrection?
