

Believe It or Not?

Case #1

1. Do you believe it?
2. If you do, what convinces you? If you don't, why not?
3. Rate, from 1-10, how much you trust the authority or believability of the source:

4. What background or preexisting knowledge do you have on the subject?

5. What proof or evidence would make you change your mind?

Case #2

1. Do you believe it?
2. If you do, what convinces you? If you don't, why not?
3. Rate, from 1-10, how much you trust the authority or believability of the source:

4. What background or preexisting knowledge do you have on the subject?

5. What proof or evidence would make you change your mind?

Case #3

1. Do you believe it?
2. If you do, what convinces you? If you don't, why not?
3. Rate, from 1-10, how much you trust the authority or believability of the source:

4. What background or preexisting knowledge do you have on the subject?
5. What proof or evidence would make you change your mind?

Case #4

1. Do you believe it?
2. If you do, what convinces you? If you don't, why not?
3. Rate, from 1-10, how much you trust the authority or believability of the source:

4. What background or preexisting knowledge do you have on the subject?
5. What proof or evidence would make you change your mind?

Case #5

1. Do you believe it?
2. If you do, what convinces you? If you don't, why not?
3. Rate, from 1-10, how much you trust the authority or believability of the source:

4. What background or preexisting knowledge do you have on the subject?
5. What proof or evidence would make you change your mind?
