

Name _____ Hour _____

Ecological Diagram Explanation Assignment

The final part of your assignment is to share your diagram with a parent or another adult over the next couple of days. You should share both your diagram and a verbal explanation. Be prepared to answer any follow-up questions your parent or conversation partner might have.

After you have shared, have the person with whom you shared complete the following:

1. My student articulated a scientific explanation of his/her illustration in a way that made clear sense to me.

Yes **Somewhat** **No**

2. My student showed interest in my questions/thoughts related to his/her illustration.

Yes **Somewhat** **No**

Adult Signature: _____ Date: _____
